

TEXMEMS '03
Tuesday 6 May 2003
UTA Automation and Robotics Research Institute
Tentative Program Outline

Updated: Friday, February 28, 2003

Talks will be 15 minutes each except for the Plenaries, which will last 40 minutes.
Students will exhibit their papers as poster presentations.

Industry Exhibitors will be in the ARRI Atrium near the coffee station

7:45-8:30 registration, coffee and continental breakfast

8:30-9:00 introduction
welcome

Don Liles, Director, ARRI

Keith McDowell, VP Research UTA & Da Hsuan Feng, VP Research, UTD

Theresa Maldonado, Assoc. VP Research, UTA, Technical Issues in nanotechnology &
MEMS

9:00-9:45 Plenary Speaker- Janusz Bryzek, Transparent Networks Inc.

9:45-11:45 breakout sessions - 2 parallel sessions and 1 poster session

11:45-1:15 lunch for paid registrants
Plenary Speaker- Clark Nguyen, MEMS Program Director, DARPA

1:15-2:45 breakout sessions

2:45-3:00 coffee break

3:00-3:45 Plenary Speaker- Ing. Guillermo Fernandez, Mexico FUMEC

3:45-5:00 breakout sessions

5:00-6:00 Plenary Panel- Commercialization of MEMS
Chair- Michael Mignardi, Texas Instruments

6:00 Lakeside Reception at ARRI Lake
